II. Basis for Jurisdiction

Federal courts are courts of limited jurisdiction (limited power). Generally, only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1331, a case arising under the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one State sues a citizen of another State or nation and the amount at stake is more than \$75,000 is a diversity of citizenship case. In a diversity of citizenship case, no defendant may be a citizen of the same State as any plaintiff.

Statement of Claim

Since October 2018 continuing to the present of November 2019, ongoing death threats, harassment, police targeting inclusive of the Department of Defense, white house, media, tech, and private businesses, veterans have illegally surveillanced our homes through hard-wiring, smart devices, and trafficking of sensors, GPS, on apps and in our vehicles. This global malicious, and highly unethical attack which has broken Federal laws to destroy our peace of mind, the right to live peacefully & happily, in safety has been stripped of not only my immediate family but the extended as well. Falsified taxes, tempering of our mail, police brutality, Govt officials, Politically obstructing our rights to file Police reports, or ask for investigations with considerable proof is unbelievable and unjust. Our civil rights have been disregarded, ignored, deliberately taken from us without reason. Our voice to express our thoughts, ideas, inspiration has been revoked by media through Digital media, social media, Radio, television as a show of censorship established to benefit the current administration currently in the white house. The positive damages psychologically, spiritually, financially, emotionally are beyond any number of what can and should be provided for the pain, defamation,

Slander, Character assassination attempts by those of sector, but even worse those in governmental positions sworn to take an oath of protecting and serving private citizens. The abuse & misuse of authority which we can never get back through time, financial loss of opportunities, speaking engagements, harassment of sponsors, loss of following for our ministry, and can no longer travel abroad due to global threats, has led us to ask the court, through a jury for the amount of \$300,000,000 or more should they desire the abuse be founded to warrant a larger amount.

Thank you and God bless America!

as to never have to endure the hardship, Frustration, denial of help nor accountability we've experienced for well over a year. Also request law enforcement implement a Cyber division within all major police Departments across our Nation. Lastly, public apologies and written letters to our family for the loss, shame, herrassment, death threats endured without cause or reason from all defendants listed. Regulation of Rogue internet use must be mandated as a result of lack of accountability across the board.

Thank you in advance &
God Bless America!!
